In G.O. (Ms) No. 924 Food dated 24th October 1946, the Government authorised the Provincial Road Transport Officer, Madras, to incur expenditure upto a limit of Rs. 1,000 at a time on any vehicle in connection with the repairs and maintenance of vehicles under his control, but in G.O.(Ms) No. 1086A Food dated the 30th November 1946, the Provincial Road Transport Officer is authorised to incur an expenditure not exceeding Rs. 500 for the purchase of spare parts such as tyres and tubes etc. In this connection the Board submits that particularly in the matter of purchase of tyres there have been cases in which the limit of Rs. 500 have exceeded but the expenditure was within Rs. 1,000. Very often the lorries need replacement of tyres and tubes involving the purchase of more than 3 tyres at a time and in such cases the total cost exceed the limit of Rs. 500 prescribed in the G.O. second cited. The Board therefore recommends that thelimit of purchase, namely. Rs. 500 prescribed in paragraph 4 of G.O. (Ms) No. 1086 A Food dated the 30th November 1946 may be raised to Rs. 1,000 similar to the limit prescribed in G.O. (Ms) No. 924 Food dated 24th October 1946.
